Members’ Rights and Benefits (approved at a meeting of charter members on October 27, 2009)

Each member shall be eligible to cast one vote in Association elections, and one vote in other Club decisions posed at general membership meetings. These meetings shall be held quarterly, at the Antioch Recovery Club, unless otherwise specified by the President. The meetings are an orderly convening, governed by “Robert’s Rules of Order,” unless A.R.C. has policies that directly differ, in which case the A.R.C. rules prevail.

All members carry the privilege of orderly use of all Club facilities in accordance with the Club Code of Conduct as established by the Board of Directors.

Members also will, at the Annual Meeting of the Members in August,

- Receive reports on the activities of the Association,
- Review the official financial statement for the fiscal year ended the June 30 prior,
- Determine the direction of the Association for the coming year, and
- Attend to the normal business of a regular quarterly meeting.

This August meeting is one of the quarterly meetings.

The specifics of voting are detailed in the Antioch Recovery Club, Inc. Bylaws, approved by the charter members on October 27, 2009. They are available for review on the premises of the Antioch Recovery Club.

THIS IS **YOUR CLUB**, DON’T FORGET!!!!!! TREAT YOURSELF TO **BEING INVOLVED**.

YOU DESERVE IT!

And, at the risk of sounding too much like the authority, please remember, these privileges, rights, and benefits are for those of us who pay our dues and abide by the following codes of conduct:

A.R.C. CODES OF CONDUCT

PREFACE

Laws and ordinances of the government prevail over any of the A.R.C. Codes of Conduct. Quite simply, if it is illegal, it will not happen at the A.R.C. We are all obligated to police ourselves and one another. **By joining the Club, every member has the right and responsibility to ask someone not following the Codes of Conduct to leave.** If unsuccessful, the police are an acceptable very last resort. Report incidents of violation to a Board Member. The Grievance Committee of Members holds the detailed steps for dealing with member infractions.

THE CODES

1. The A.R.C. is **your Club**. Please treat it and its guests accordingly...with respect, consideration for self and all others, common sense, and tidiness.
2. No **alcohol** is allowed on the premises, nor are other **non-prescribed medications**. No one **under the influence** of alcohol or drugs is allowed on the premises, unless as a guest at a meeting and welcomed there by group conscience.
3. No **weapons** allowed on the premises or anything else that may be considered life-threatening to its members.
4. Members have the **right and responsibility** to directly *confront*, in a civil manner an individual violating the Codes of Conduct, as well as *respond* in a civil manner if questioned.
5. **TV, pool table, arcade games, card and board games, radios, etc.** all are to be **off 30 minutes before, and until 30 minutes after, as well as during meetings**. When in use, low volumes are expected.
6. **Visitors** are allowed at scheduled and open meetings, and may enter the premise 30 minutes before and stay until 30 minutes after a meeting.
7. The premises will remain **locked until 30 minutes before meetings, and after 30 minutes after meetings' end**. Members, however, will be able to let themselves and their escorted guest(s) in before and after those times.
8. The **hours** of the Club are **6:00 A.M. to 12:00 Midnight** 7 days. Access at other times is forbidden with the following two exceptions: (1) A planned A.R.C. or Group activity or (2) Board Member activity when appropriate.
9. All members, when they are the **last to leave** are responsible for locking ALL THREE doors, and turning off all power, except refrigeration.

10. No **lodging**, no matter how temporary, is allowed at the A.R.C., nor are **romantic** trysts, no matter how temporary.
11. **Guests** are permitted at the A.R.C.; their actions are the responsibility of the host member. Members are responsible for their guest at all times they are in the premises. The obvious goal is to avoid members letting non-members in at times not designated as such and allowing the “guests” to roam and enjoy benefits of members.
12. No **pets** are allowed on the premises, unless for aiding the physically handicapped.
13. Non-members **under the age of 18** are not allowed in Club, except if attending a meeting or during a club function. Members under the age of 18 may *not* entertain guests under 18.
14. Membership **dues** are \$10 per month, or 100.00 per year.
15. The Board Members have the ultimate authority to define or interpret misconduct or a **meddlesome interference** that has not been directly listed herein, and act reasonably to curb it.
16. The term “**member in good standing**” describes a member whose dues are paid and has no disciplinary action affecting them currently.
17. All **financial matters**, including but not limited to literature purchases, dues payments, key deposits/returns, and Club rental are addressed in the policies of the Finance Committee.
